Dear Sirs and Brothers:

This communication is being provided to all Ohio Legislative Representatives and Ohio Secretaries for your information.

As a follow-up to my January 26, 2005 letter, the enclosure shows the importance of contacting this office so that we can get any and all safety related issues dealing with remote control locomotives handled in an expeditious manner.

Therefore, I again request that all Legislative Representatives and members of Ohio Locals contact this office with any further safety related issues on remote control locomotives.

Fraternally yours,
